## **Highway Commissioner – Alleged Fraudulent Activity**

Daily Herald Article by Jake Griffin – February 15, 2017

**East Dundee, Il February 15, 2017:** Dundee Township is aware of the newspaper article written by Jake Griffin in today's Daily Herald newspaper. The article alleges potential fraudulent activities by Larry Braasch, the current Highway Commissioner. The activities mentioned in the article were reported to the Township Supervisor's office in December 2016. At the advice of counsel, the Supervisor immediately notified the Kane County State's Attorney of the alleged activity and cooperated with the State's Attorney's office to furnish them copies of all available information.

As the case has been under the control and investigation by the State's Attorney's office and the Kane County Sheriff's office, Dundee Township did not previously publically address the matter. Dundee Township continues to cooperate with the State's Attorney and the Kane County Sheriff's office and will make no further statements until the matter is resolved. All questions regarding this matter should be addressed to the Kane County Sheriff's Office at 630-232-6840.
