

DUNDEE TOWNSHIP BOARD OF TRUSTEES MEETING

TRUTH IN TAXATION HEARING

Minutes of November 19, 2009

Supervisor Harney called the hearing to order at 6:45 PM in the Clerk's office at 557 Barrington Avenue, East Dundee. The Clerk called the roll. Trustees Schaffer, Edwards, Fritz and Behm were present.

**Trustee Schaffer moved to approve the agenda as presented second by Trustee Edwards carried by voice vote.**

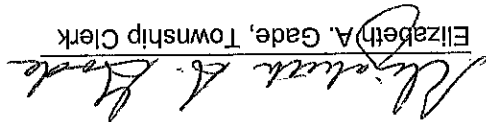

The notice of "proposed property tax increase" was published in the Daily Herald Newspaper on Tuesday, November 10, 2009 in the neighborhood section.

The Township and Road District levies were determined to be 20% of the previous year's extension at the previous board meeting. The proposed Township levy is determined to be \$3,090,633.00 including the open space bond debt (\$1,817,675). The proposed Road District levy is determined to be \$1,603,119.

Supervisor Harney explained that the increase proposed applies only to new construction addend in the 2009 levy year and is the fairest way to distribute the tax burden.

Mr. Dodd attended the hearing and commented stated he wished the Township would reconsider the increase because his property taxes have risen excessively over the past 3 years. Information was given to Mr. Dodd that could potentially assist him in working with the Assessor's office to have his valuation reduced.

**Trustee Schaffer moved to adjourn the hearing second by Trustee Behm carried by voice vote at 7:05 PM.**

  
Elizabeth A. Gade, Township Clerk
